

## Special Lunch Days 2024

Special Lunch Days are EPS' version of a canteen. Families pay \$5 per student to participate. Parent Club volunteers prepare and cook a meal and offer it in the Old School Building. At special lunch day, students can try all the food on offer, we use plates and cutlery from the school kitchen and encourage kids to try something new. This year we will have 1 special lunch day per term, and they will have a theme! this will give them enough food that they do not need to pack lunch on the day (recess and fruit snack still needed) The money raised goes back into the Living Green program. This year we're going to have a theme each term and the parents serving the food will be dressing up and making it a bit of fun!

How does it work?

1. Before a special lunch day, a note will go home explaining the theme, date, price and how to get involved.
2. Parents/carers login to My School Connect, choose Tuckshop and register their child/rens participation by making the \$5 payment. Make sure you have credit on your My School Connect or you can use a credit card (fees apply). Payment is due one week before the event, we cannot extend this time, so please make sure you get payments in on time so your child/ren don't miss out.
3. We ask school families to contribute by volunteering their time and/or donations of food. A call out for volunteers will be sent out at least 1 week before the event.
4. On the day, the food is prepared in the Old school building between 11.30am and served at 1.30pm, normal school lunch time.
5. After the kids have eaten, we ask them to help by washing their plate and cutlery before going out to play.
6. Parents stay a little longer to tidy up the rest. It's a great way to connect with other parents/carers.

---
